FURNITURE MADE SIMPLE®

A close-up, grayscale photograph of an office chair. The image focuses on the backrest, which features a series of horizontal, ribbed lines. To the left, a portion of the dark, curved armrest is visible. The background is a plain, light gray, creating a clean, minimalist aesthetic.

Form has a flexible range of high-quality task and conference chairs that are beautiful, simple, and comfortable. Best of all, they rival the quality, comfort, and style of the most popular chairs on the market—at a better price.
