

Stash Series a Finalist for Best of Year Awards

Form's Stash series has been named as a finalist Interior Design's 2024 Best of Year Awards. This prestigious honor celebrates products that exemplify innovation, functionality, and aesthetic excellence while advancing design practices. Judged by design leaders, the awards set the benchmark for creativity and impact in commercial furnishings.

It is an honor to have Form's Stash series included as a finalist with other amazing products and companies in the Best of Year Awards. We are also excited to be recognized by the most prestigious publication in our industry, Interior Design. No matter the result, simplicity in design is always a winner in my book. -JONATHAN JOHNSON

STASH SERIES

The Stash series is comprised of a storage cart, drawer, and tower. Stash Cart offers spacious storage, easy mobility, and an informal seat. Stash Drawer delivers big storage and function in a compact footprint. Stash Tower is a mobile storage solution to organize work and enhance productivity.

ABOUT INTERIOR DESIGN BEST OF YEAR

Now in its 19th year, Best of Year is the leading global design awards program, recognizing the most groundbreaking projects and products in architecture, interior design, and manufacturing... and the creative minds behind them.

Interior Design Best of Year Awards stands as the definitive hallmark of excellence, celebrating the greatest design achievements of today while setting the stage for the next wave of design brilliance.
